Email: edridaniel2002@gmail.com

PROFESSIONAL SUMMARY

I'm a Software engineering student with a passion for design and developing websites. Even though I'm still early in my journey, with about a year + of experience under my belt, Iv'e already created a couple of websites that I'm really proud of.

PROFESSIONAL EXPERIENCE

IT Support technician

eBay, Netanya
Participated in a **payed 3-month IT support program, providing technical assistence to employees.**

- Set up and configure desktops and workstations.
- Diagnosed and resolved hardware and software issues including system malfunctions, connectivity and security.
